Designation Guidelines

The best way to do the most good with your dollars is to make a single contribution to United Way of the River Cities. If you choose to designate to a non-partner agency, please familiarize yourself with the following guidelines:

- The designated organization must be a legitimate non-profit entity
- The designated organization must be a health & human service provider
- Designations will be assessed a 15% processing fee
- Complete address & phone number must be provided for follow-up with the entity
- Minimum designated pledge amount must be at least \$50 for each entity.
